

MSL2 / MSL2BX INSTRUCTIONS

STEP 1

To CLOSE the Step Stool, place it on a flat surface as shown. Then use your left hand to grab the rear frame. Use your right hand to press the Red lever.

STEP 2

As you press the Red lever, notice that the latch will raise (see Figure A and B.) This will allow you to close the rear frame with your left hand and avoid pinching.

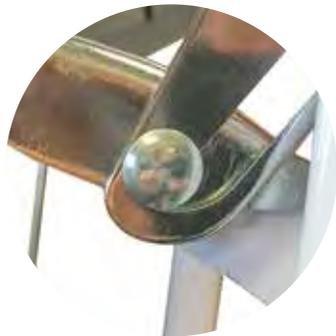

FIGURE A

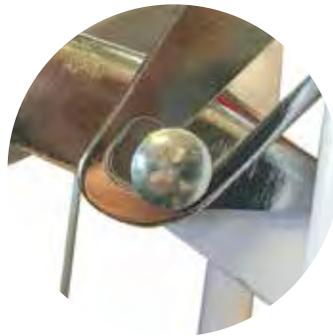

FIGURE B

AVOID PINCH SPOT

WARNING!
