## PRODUCT FINISH CARE INFORMATION

Lifestyle Solutions products are treated using only the finest finish ingredients. To ensure long-lasting enjoyment of your purchase, we recommend the following precautionary steps:

**STAINING :** Please ensure underside of furniture unit is wiped clean with cloth before placing to the desired location. Avoid dragging furniture on carpets to prevent possible staining.

**NORMAL USE AND GENERAL CLEANING :** Please clean surface using a damp (not wet) cloth followed by a clean dry cloth. Do not use aerosol products as they will harm the finish.

**WATER RINGS AND SPOTS :** Placing hot or cold beverages on wooden surface may cause damage to the finish. Please use a coaster and wipe dry any water spillage immediately.

**SOLVENTS :** Solvent-based polishes are flammable and toxic if swallowed. Once used, they cannot be completely removed. DO NOT USE SOLVENT-BASED POLISHES.

**CANDLES :** Lighting candles on furniture causes wax to drip and harden on finish. Scrape off thin layers using a plastic card, such as a credit card. Use a soft cloth and lemon oil to remove any final wax remnants.
