

JAT-126, 1/2" COMPOSITE IMPACT WRENCH

505126

The JET JAT-126 delivers great power, light weight, and outstanding durability in a surprisingly short and incredibly well balance package. This tool packs in 800 ft.-lbs. of torque with reduced vibration and exceptional balance to give the user the control they want without losing the power they need to get the job done. This tool is great for General repair, General maintenance, Assembly work

FEATURES

- High impact resistant composite housing for lightweight durability
- Lightweight aluminum clutch housing for great durability and tool balance
- One hand side-to-side forward/reverse for easy one hand operation
- Easy touch teasing trigger for great control throughout the torque range
- Torque regulator switch for quick easy one hand access
- Unmatched balance to reduce fatigue over long usage
- Nonslip molded rubber insert handle for additional comfort
- Twin hammer clutch has all the power without all the vibration

JET RED ASSURANCE 2-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
