

The [Garden Hose Holder](#) is designed for quick and easy installation with no assembly required.

**Installation Steps:**

- All necessary wall mounting screws are included in the package
- Simply hang the metal hose holder on your wall - no other assembly needed
- Customers consistently mention it takes just 2 minutes to mount
- For heavy rubber hoses, ensure you mount it into a wall stud for maximum support

**What's Included:**

- Heavy-duty metal hose holder with powder-coated finish
- Wall mounting hardware (screws included)
- No additional tools or parts needed
