

2-In-1 Multi-Use Storage Shed

Keep everything organized with this convenient 2-in-1 multi-use storage shed by Hanover. Our 2-in-1 marvel includes two separate secured storage areas in one unit. The pent roof design allows efficient water runoff to keep everything dry.

The front storage area has hinged double doors for easy access and is secured with a handle lock and key. The side storage area has a hinged, single door that is also secured with a handle lock and key.

Strong and durable, this stylish shed is constructed with powder-coated, galvanized steel that is resistant to rust, corrosion, and UV rays.

Features

- 2-in-1 marvel includes two separate storage areas each secured with its own lock and key
- Durable, galvanized steel construction is resistant to rust, corrosion, fire, and UV rays
- Pent roof with exterior gutters allows efficient water and snow runoff to keep everything dry
- Two vents (one on each side) provide adequate airflow
- 2-person assembly required - instructions and hardware included
- NOTE: Concrete slab or treated timber foundation is strongly recommended (8 anchors included)
