What You Need To Know:

Tools:

Required:

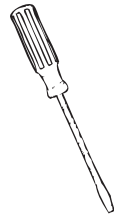

*Phillips Screwdriver

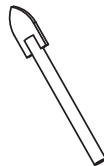

*Pencil

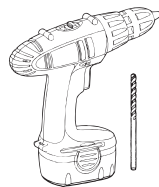

*Flat head screwdriver

*1/4" Tile Drill Bit
(if mounting to tile)

*Drill with 1/4" bit

Helpful:

*Tape Measure

Important Notes:

Be sure to read instructions thoroughly before beginning installation. Do not overtighten any connections or damage may occur.

Instruction images shown are for reference only and apply to all models numbers shown.

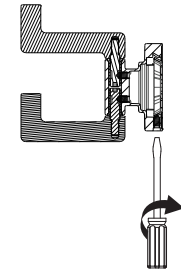

Safety Tips:

This item is **NOT** designed for use as a grab bar. Do not mount in locations where product is likely to be used as a grab bar.

Maintenance:

Clean with a soft, damp cloth only. Do not use scrub pads, detergents or cleansers as they may harm the protective finish of your bath accessories.

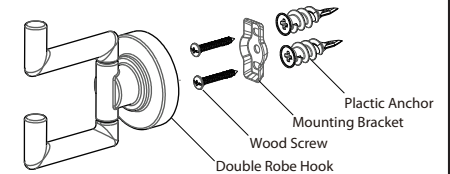

- 3 Place the post over the mounting bracket and secure it with the set screw, as shown.

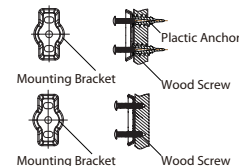

- 1
- Remove the set screw from the base of the product post.
 - Place the product in the desired mounting location, and use a pencil to lightly mark the outline of the post.
 - Center the mounting bracket within the marked post location, and mark where the screw holes will be drilled.

Parts List

- 2
- Drill 1/4 in. holes in the previously marked locations.
 - Thread the plastic anchors into drywall until flush with surface.
 - Fasten the mounting bracket to the wall with the wood screws.
 - When mounting the products directly to wood, fasten the mounting bracket to the wall using the wood screws. There will be no need for drilling or plastic anchors.
