LIQUID FENCE®

DEER & RABBIT REPELLENT

READY-TO-USE₂

Repelente de venados y conejos listo para usar.

HOW IT WORKS

Homeowners, gardeners, professional landscapers and commercial growers have discovered Liquid Fence® Deer & Rabbit Repellent Ready-To-Use₂ stops deer and rabbit damage.

Unlike other deer and rabbit repellents that require the animals to browse to be effective, Liquid Fence Deer & Rabbit Repellent Ready-To-Use₂ works on scent, so deer and rabbits don't even have to take a bite to be repelled. Because the animals' natural aversion to this scent will never diminish, Liquid Fence Deer & Rabbit Repellent Ready-To-Use₂ DOES NOT have to be rotated with other repellent brands.

*GUARANTEE

If you are not satisfied with this product for any reason, send your written request for a refund to the address at right, together with the original dated store receipt showing the price you paid. Please allow 6-8 weeks for processing.

BRAND

STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

SHAKE WELL before each use. Adjust nozzle for desired spray pattern. Apply liberally to plants and their perimeter during a dry period. Repeat process one week later and then approximately once per month thereafter. In areas where feeding pressure from deer and rabbits is intense, spray Liquid Fence® Deer & Rabbit Repellent Ready-To-Use₂ once a week for three weeks and then approximately once per month thereafter. Please note: When using this product, you may notice an odor. Once it dries, the odor will not be noticeable to humans but will still be very noticeable to animals.

PRECAUTIONARY STATEMENTS

KEEP OUT OF REACH OF CHILDREN

CAUTION. This product may be harmful if swallowed. Avoid contact with eyes. If contact with eyes occurs, immediately flush with plenty of water. Seek medical attention if either occurs.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

CÓMO FUNCIONA

Los propietarios, jardineros, paisajistas profesionales y agricultores comerciales han descubierto que el Repelente de venados y conejos listo para usar₂ Liquid Fence® detiene el daño causado por los venados y los conejos.

Contrario a otros repelentes de venados y conejos cuya efectividad depende de que los animales coman, el Repelente de venados y conejos listo para usar₂ Liquid Fence funciona por el olor, así que los venados y conejos ni siquiera tienen que probarlo para ahuyentarse. Como la aversión natural de los animales a este olor nunca disminuirá, el Repelente de venados y conejos listo para usar₂ Liquid Fence NO tiene que rotarse con otras marcas de repelentes.

ALTO. LEA TODA LA ETIQUETA ANTES DE USAR.

MODO DE EMPLEO

AGITE BIEN antes de cada uso. Ajuste la boquilla al tipo de rocío deseado. Aplique abundantemente a las plantas y su perímetro durante un período seco. Repita el proceso una semana después y luego aproximadamente una vez al mes de ahí en adelante. En las áreas donde la presión de los venados y conejos por alimentarse es intensa, rocíe el Repelente de venados y conejos listo para usar₂ Liquid Fence® una vez por semana durante tres semanas y luego aproximadamente una vez al mes de ahí en adelante. Nota: Al usar este producto, puede notar algún olor. Sin embargo, cuando haya secado, el olor no será perceptible para las personas, pero será fuerte para los animales.

ALMACENAMIENTO Y ELIMINACIÓN

No contamine el agua ni los alimentos para personas o animales por medio del almacenamiento o la eliminación.

ALMACENAMIENTO: Guarde en su envase original, en un lugar fresco y seco que no sea accesible a los niños y a las mascotas. Proteja del calor y evite que se congele. Guarde a una temperatura entre 40°F y 90°F. Mantenga los envases bien cerrados para evitar que se evapore. Si se produce un derrame, diluya con agua y enjuague.

ELIMINACIÓN DEL ENVASE: No vuelva a usar el envase vacío. Elimine el envase vacío de acuerdo con las leyes municipales o locales.

DECLARACIONES PREVENTIVAS

MANTÉNGASE FUERA DEL ALCANCE DE LOS NIÑOS

PRECAUCIÓN. Este producto puede ser nocivo si se ingiere. Evite el contacto con los ojos. En caso de contacto con los ojos, lave inmediatamente con abundante agua. Busque atención médica si ocurre alguna de las dos cosas.

NOTA: Hasta el grado que sea compatible con la legislación pertinente, el comprador asume toda la responsabilidad para seguridad y uso que no estén de acuerdo con las instrucciones.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40°F and 90°F. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

CONTAINER DISPOSAL: Do not reuse empty container. Dispose of empty container as required by municipal or local laws.
