## RCR - 5BK

AM/FM-RDS (RBDS) Digital Tuning  
Clock Radio

Color

Black

RDS

### Product Description

Sangean has established a reputation for manufacturing the highest quality standards and performance radios for 40 years. Our latest RCR-5 BK AM/FM clock radio is as attractive as it is unique. Offering features and performance generally found in the most expensive clock radios.

**A Small size radio with big sound and excellent AM/FM** reception. Sangean's digital tuner reduces drift on AM stations and is able to lock in weak FM stations.

**The RCR-5 has 10 presets for all our favorite stations, and** has an easy to read adjustable backlit LCD display.

**The display is of soft, warm color, most conducive to a** good sleeping environment. The RCR-5 is a very well designed clock radio with great sound for music and talk radio.

**Dual Alarm Timers for both "Waking Up to Radio" and/or** "waking up to the HWS Buzzer" (Humane Wake Up System) at different times for weekdays, weekends, daily or just once. The RCR-5 has Sleep, Nap and Snooze timers

**An Aux Input allows listening to your favorite CD, Smartphone** or most audio devices through the radio. The RCR-5BK is the perfect bedside alarm clock radio.
