Ideal For

Decorative Lighting

Combine classic style, modern reliability and energy savings with Feit Electric ST19 LED 60-Watt Equivalent Soft White (2700K) cage filament bulb. Our vintage filament bulbs are made with LED exposed filament and wrapped in a clear housing to deliver an elegant antique look and feel. We integrate innovative LED technology with a traditional straight filament, providing a natural lighting experience for those that want the benefits of LED and the look of vintage lighting. Filament LEDs will last for years and use just a fraction of the energy of an incandescent.
