## Garage Door Lube

Garage Door Lube has been formulated to replace messy aerosol grease products typically used on overhead doors, rollers & tracks, wires, rope, etc. It incorporates the lubrication & lasting protection of silicone with an extreme pressure agent. This combination provides B'laster's Garage Door Lube with superior lubrication, protection & cleanliness.

- Leaves a tack-free film that will not accumulate dust and dirt.
- Safe on virtually all surfaces.
- Superior anti-wear characteristics.
