Automotive Spray Paint ⁴								X	X			X	X
Paint Spraying								X	X			X	X
SPECIAL CONSIDERATIONS													
Asbestos Removal, Lead-based Paint Removal, Cement Mixing ³ , Concrete Polishing ³ , Cutting Brick/Pavers ³ , Stone Dust ³ , Brick Dust ³													
	See www.OSHA.gov or call 3M 1-800-243-4630												

1 For nuisance-level odors only. Nuisance level refers to concentrations not exceeding the OSHA PEL or applicable government occupational exposure limits, whichever is lower.
 2 For area less than 100 sq./feet, follow EPA Guidelines for mold removal: epa.gov/mold
 3 See Silica Standard OSHA.gov
 4 Not for use with isocyanates in Canada

FOR US AND CANADA ONLY

Warning: Respirators help protect against certain airborne contaminants. Before use, the wearer must read and understand the User Instructions provided as a part of the product packaging. Follow all local regulations. In the U.S.A., a written respiratory protection program must be implemented meeting all the requirements of OSHA 29 CFR 1910.134, including training, fit testing and medical evaluation. In Canada, CSA standards Z94.4 requirements must be met and/or requirements of the applicable jurisdiction, as appropriate. Misuse may result in sickness or death. For correct use, consult supervisor and User Instructions, or call 3M Personal Safety Division (PSD) Technical Service in the U.S.A. at 1-800-243-4630. In Canada, call 1-800-267-4414.
