

LED LAMP

SPECIFICATIONS

Get the right light for any situation or task with the Commercial Electric 1 ft. x 1 ft. White LED Flat Ceiling Fixture with Selectable Color Temperature. Its ultra slim, low-profile design (less than 1 in.) is perfect for any low ceiling area and the no glare, edge-lit LEDs are integrated so there are no bulbs to replace. With our selectable color switch, you can preset your preferred light color temperature: Soft White, Neutral White, Bright White, Daylight, or Daylight Deluxe (3000/3500K/4000/5000K/6500K) or set it to switch, for an easy toggle between color temperatures with a simple flip of a standard light switch. This energy-efficient 800-lumen fixture uses 11 watts of electricity and less energy than a standard incandescent light bulb. The streamlined design of FP1X1/6WY/WH/HDT LED flat panels combined with patent-pending easy-to-install mounting brackets enables simple installation in both residential and commercial buildings. It can be mounted as a ceiling mount or flush mounted in bathrooms, hallways, laundry rooms, offices, or in retail spaces. This light fixture has an average life of 50,000 hours/45.7 years and delivers dimmable lighting. The estimated annual energy cost is only \$1.32. For bright, reliable light choose Feit Electric.

1 ft. x 1 ft. 11W Selectable Color

FP1X1/6WY/WH/HDT

Features
