

MOUNT-IT!

MI-4223 / MI-4223W

Retractable Motorized Ceiling TV Mount

This full-motion motorized TV mount keeps the TV tucked away and out of sight when not in use. Conveniently lower it down when it's time to watch with the use of the included remote control. A great solution for a variety of spaces from classrooms and meeting rooms to bedrooms and dorms.

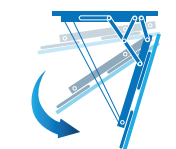

- Compatible with TVs between 32" and 55"
- Works great on flat ceilings and slanted walls
- Fits VESA patterns from 100 x 100 to 400 x 400
- Remote control features 2 memory settings
- Available in black and white
