2 LB 15.5 OZ (1.34 kg)

DEODORIZER AND MILDENSTATIC* AGENT
ACTIVE INGREDIENT: Calcium chloride..... 78%
OTHER INGREDIENTS:..... 22%
TOTAL:..... 100%

Directions For Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. This product efficiently removes moisture from the air. It works most efficiently in closed areas and places that remain that way for long periods of time such as closets, cabinets, pantries, coolers, and vehicles in storage. The effectiveness of this product will be compromised in well ventilated spaces. Do not use this product in moving vehicles.

Remove lid to activate product.
Leave safety cover in place.

Place on a flat surface in the desired location.
The Calcium Chloride crystals will harden and then dissolve as they remove moisture from the air.

IN CASE OF SPILLS

HARD SURFACES: Wipe up spill with a damp towel. Discard spilled crystals in toilet. Wash towel before reusing.

CARPETS: Dry spill as much as possible with a damp towel. Wet spill with cool water and press dry with a dry towel. Repeat as necessary to remove spilled crystals. Discard spilled crystals in toilet. Wash towel before reusing.

CLOTHING: Hand wash all fabrics with cool water.

Do not allow collected liquid to contact leather or metal.

Suggested Uses

Discard bucket when liquid reaches red arrow.

Microban® is a registered trademark of Microban Products Company.
▲ Compared to other DampRid Hi-Capacity Bucket.
* Inhibits surface damaging mold and mildew growth.
** For aesthetic purposes only.
† Duration will vary based on temperature and humidity.

STORAGE AND DISPOSAL:

Store at room temperature. Do not puncture or remove calcium chloride crystals from containers or packaging.

Non-refillable container: Do not reuse these containers.

Do not recycle.

When all the white crystals are dissolved, discard upright in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye and skin irritation. Harmful if swallowed, absorbed through the skin or inhaled. Avoid contact with eyes, skin or clothing. Avoid breathing dust. Wear eye protection, gloves, long sleeve shirt, and pants when handling product outside of its container. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID - IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything to an unconscious person. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. **Have the product container or label with you when calling a poison control center or doctor or going for treatment.**
