SAFETY INSTRUCTIONS

Thank you for using this product. Please read all of the instructions before using it. The information will help you achieve the best possible results.

WARNING:

Please read this manual carefully before using the product. Failure to do so may result in serious injury.

	Warning-To reduce the risk of injury, user must read instructions manual carefully.
	Compliance is a EC security certification.
	CORRECT DISPOSAL This product is subject to the provision of European Directive 2012/19/EU. The symbol showing a wheeled bin crossed through indicates that the product requires separate refuse collection in the European Union. This applies to the product and all accessories marked with this symbol. Products marked as such may not be discarded with normal domestic waste, but must be taken to a collection point for recycling electrical and electronic devices.
	FCC Information: CAUTION: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment! This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) This product may cause harmful interference. 2) This product must accept any interference received, including interference that may cause undesired operation. WARNING: Changes or modifications to this product not expressly approved by the party responsible for compliance could void the user's authority to operate the product. Note: This product has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the product off and on, the user is encouraged to try to correct the interference by one or more of the following measures. · Reorient or relocate the receiving antenna. · Increase the distance between the product and receiver. · Connect the product to an outlet on a circuit different from that to which the receiver is connected. · Consult the dealer or an experienced radio/TV technician for assistance.

ASSEMBLY PRECAUTIONS

1. Assemble needs to follow these instructions. Incorrect assembly can be a hazard.
2. Wear safety goggles and heavy-duty work gloves during assembly.
3. Do not assemble when tired or under the influence of alcohol, drugs or medication.
4. Weight capacity and other product capabilities only apply to a wholly and correctly assembled product.
5. Keep the assembly area clean and well-lit.
6. Keep bystanders out of the area during assembly.

7. The weight of plate is heavy; pay attention to the installation to avoid hurting it, and if necessary, find someone to assist with the installation.
8. Assembly should be done by adults only.
9. **WARNING:** This product contains small parts. If swallowed, it will pose a choking hazard. Keep these small parts away from children when assembling!
10. Before using the appliance for the first time, peel off any promotional materials and packaging materials.
11. Do not mix old and new batteries.
12. Do not mix alkaline, standard (carbon- zinc), or re-chargeable batteries.
