

Cuisinart®

Can Opener

CCO-50N Series

IMPORTANT SAFEGUARDS

When using electrical appliances, basic safety precautions should always be followed including the following:

1. **READ ALL INSTRUCTIONS.**
2. **Unplug from outlet when not in use, before putting on or taking off parts, and before cleaning.**
3. To protect against risk of electrical shock, do not immerse cord, plug or can opener in water or other liquid.
4. Close supervision is necessary when any appliance is used by or near children.
5. Avoid contact with moving parts.
6. Do not operate any appliance with a damaged cord or plug, or after the appliance malfunctions, or is dropped or damaged in any manner.
7. The use of attachments not recommended or sold by Cuisinart may cause fire, electrical shock, or risk of injury.
8. Do not use outdoors.
9. Do not let cord hang over edge of table or counter, or touch hot surfaces.
10. Do not open pressured (aerosol type) cans.
11. Do not open cans of flammable liquids such as lighter fluid.
12. Do not use can opener for other than intended use.
13. Do not leave unattended while in use.
14. This appliance is intended for household use only and not for commercial or industrial use.
15. **Caution:** Do not immerse in water.
16. Do not operate your appliance in an appliance garage or under a wall cabinet. **When storing in an appliance garage always unplug the unit from the electrical outlet.** Not doing so could create a risk of fire, especially if the appliance touches the walls of the garage or the door touches the unit as it closes.

FOR HOUSEHOLD USE ONLY

SAVE THESE INSTRUCTIONS

NOTICE

This appliance has a polarized plug (one blade is wider than the other). As a safety feature, this plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to defeat this safety feature.

OPERATING INSTRUCTIONS

1. Plug cord into outlet.
2. Raise lever.
3. Position your can under the guiding posts and lower the lever, making sure the Power Cut® blade is positioned inside the rim of the can.
4. Once the Power Cut® blade pierces the can, cutting begins. There is no need to hold the can or the lever down during cutting.
5. Cutting action will automatically stop, once the can is completely open.
6. The can will remain in position until lever is lifted.
7. To remove can, hold can firmly with one hand while lifting lever with other hand.
8. Carefully remove the lid from the magnet.

1. Power Cut® Blade Assembly

2. Can Opener Lever

3. Guide Posts

4. Can Rest

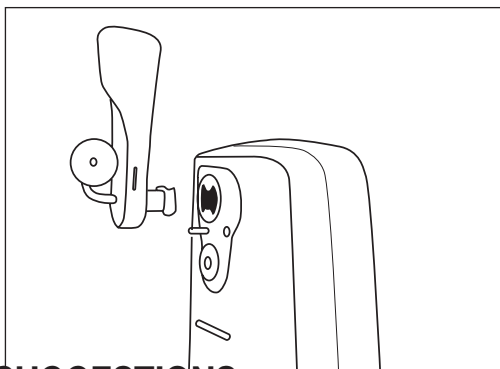

5. Base

6. Cord Storage (not shown)

7. BPA-Free (not shown): All parts that come in contact with food are BPA-Free.

CLEANING & MAINTENANCE

1. Be sure plug has been removed from outlet.
2. Remove can opener lever by lifting and pulling toward you. **Use caution, as the blade will be sharp.**
3. Wash by hand with hot, soapy water. Dry thoroughly.
4. Wipe body of can opener with damp cloth. (Caution: Do not immerse in water.)
5. Replace can opener lever by holding in the raised position and pushing back into place. Be sure the lever is pushed all the way in before lowering lever.
6. **Maintenance:** Any other servicing should be performed by an authorized service representative.

SUGGESTIONS

This can opener will open all standard size cans. **It should not be used on cans that have alternate methods of opening (including but not limited to pull-tabs, rolling key and peel-off foil). It also should not be used with rimless cans or cans with angled corners.**

Cans with aluminum lids will not adhere to magnet.

If there is a dent in the rim of the can, open other side or place the Power Cut® blade beyond the dent. If the can opener stalls, use a light touch to turn the can to aid the cutting process.

WARRANTY

Limited Three-Year Warranty

This warranty is available to consumers only. You are a consumer if you own a Cuisinart® Can Opener that was purchased at retail for personal, family or household use. Except as otherwise required under applicable law, this warranty is not available to retailers or other commercial purchasers or owners. We warrant that your Cuisinart® Can Opener will be free of defects in materials and workmanship under normal home use for 3 years from the date of original purchase.

We recommend that you visit our website, www.cuisinart.com for a fast, efficient way to complete your product registration. However, product registration does not eliminate the need for the consumer to maintain the original proof of purchase in order to obtain the warranty benefits. In the event that you do not have proof of purchase date, the purchase date for purposes of this warranty will be the date of manufacture.

CALIFORNIA RESIDENTS ONLY

California law provides that for In-Warranty Service, California residents have the option of returning a non conforming product (A) to the store where it was purchased or (B) to another retail store that sells Cuisinart® products of the same type. The retail store shall then, according to its preference, either repair the product, refer the consumer to an independent repair facility, replace the product, or refund the purchase price less the amount directly attributable to the consumer's prior usage of the product. If neither of the above two options results in the appropriate relief to the consumer, the consumer may then take the product to an independent repair facility, if service or repair can be economically accomplished. Cuisinart and not the consumer will be responsible for the reasonable cost of such service, repair, replacement, or refund for nonconforming products under warranty. California residents may also, according to their preference, return nonconforming products directly to Cuisinart for repair or, if necessary, replacement by calling our Consumer Service Center toll-free at 800-726-0190. Cuisinart will be responsible for the cost of the repair, replacement, and shipping and handling for such nonconforming products under warranty.

BEFORE RETURNING YOUR CUISINART® PRODUCT

If your Cuisinart® Can Opener should prove to be defective within the warranty period, we will repair or, if we think necessary, replace it. To obtain warranty service, please call our Customer Service Center toll-free at 1-800-726-0190 or write to: Cuisinart, 7475 North Glen Harbor Blvd. Glendale, AZ 85307. To facilitate the speed and accuracy of your return, enclose \$10.00 for shipping and handling. (California residents need only supply a proof of purchase and should call 1-800-726-0190 for shipping instructions.) Please be sure to include your return address, description of the product's defect, product serial number, and any other information pertinent to the return. Please pay by check or money order. NOTE: For added protection and secure handling of any Cuisinart® product that is being returned, we recommend you use a traceable, insured delivery service. Cuisinart cannot be held responsible for in-transit damage or for packages that are not delivered to us. Lost and/or damaged products are not covered under warranty. Your Cuisinart® Deluxe Stainless Steel Can Opener has been manufactured to the strictest specifications and has been designed for use only in 120 volt outlets and only with authorized accessories and replacement parts. This warranty expressly excludes any defects or damages caused by attempted use of this unit with a converter, as well as use with accessories, replacement parts or repair service other than those authorized by Cuisinart. This warranty does not cover any damage caused by accident, misuse, shipment or other than ordinary household use. This warranty excludes all incidental or consequential damages. Some states do not allow the exclusion or limitation of these damages, so these exclusions may not apply to you. You may also have other rights, which vary from state to state.

Important: If the nonconforming product is to be serviced by someone other than Cuisinart's Authorized Service Center, please remind the servicer to call our Consumer Service Center at 1-800-726-0190 to ensure that the problem is properly diagnosed, the product is serviced with the correct parts, and to ensure that the product is still under warranty.
