

Mini Roller Cage Frame

- Engineered to spin smoothly every time, no drag
- Great for trim work, edging & painting kitchens, baths, closets, or hard-to-reach areas
- Works with both 4½" & 6½" Wooster PRO cage frame mini rollers

Sherlock Poles

- Strong, hexagonal aluminum inner pole prevents twisting
- Rugged, lightweight fiberglass outer pole adds strength

- Easily adjust pole length in 6" increments, locks securely so the pole won't slide
- Textured, rubber-like grip provides comfort & nonslip leverage

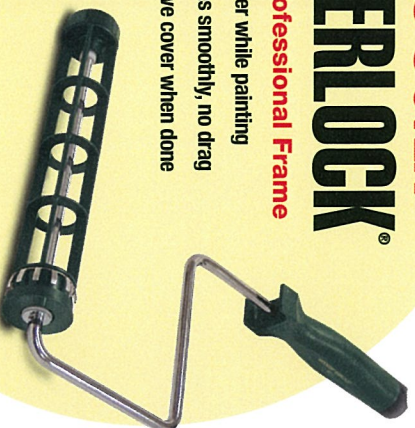

Don't forget about...

WOOSTER® SHERLOCK®

#1 Professional Frame

- Secures roller while painting
- Always spins smoothly, no drag
- Easily remove cover when done
