## Dishwasher & Appliances

extends life of dishwasher and other appliances

## Delicious Drinking Water

healthy, filtered water on demand

## Cooking

Chemical-free water for produce, steamed veggies, pasta, soups & more

## WHOLE HEALTH ULTIMATE PURITY

Instantly transform ordinary tap water into clean, extraordinary water.

NSF Certified Claryum® filtration technology independently tested and proven to remove over 97% of chlorine and chloramines. Also reduces:

- Heavy metals like lead and mercury
- Chlorine resistant cysts like giardia and cryptosporidium
- Organic chemicals like herbicides, pesticides and VOC's
- Pharmaceuticals like estrone and ibuprofen

## LEADING PITCHER

Reduces 5 contaminants

## AQUASANA

Reduces 68 contaminants

\*For a complete list of contaminants reduced please see our Performance Data Sheet.

## WHOLE HEALTH ULTRA DELICIOUS

Claryum®'s selective filtration technology retains naturally occurring beneficial minerals in your water like Calcium, Potassium and Magnesium for healthier, more delicious water!

## WHOLE HEALTH ECO FRIENDLY

Designed with the environment in mind! Intelligent system design reduces plastic waste by minimizing disposable plastic parts.

## PURE PERFORMANCE CLARYUM® TECHNOLOGY

### Activated Carbon

Reduces organic chemicals like herbicides, pesticides, VOCs and MTBE

### Catalytic Carbon

Targets chlorine and chloramines.

### Ion-Exchange

Filters heavy metals like lead and mercury.

### Absolute Sub-Micron Mechanical Filtration

Captures asbestos and chlorine resistant cysts like cryptosporidium and giardia.

**THE RESULT:** 10x more contaminants reduced plus healthy minerals retained for purely delicious filtered water.

## PURE PERFORMANCE EASILY ATTACHES

No permanent fixtures or installation required. Simply screw on the faucet attachment for filtered water right from your tap! No more big, bulky filters cluttering up your sink space.

## PURE PERFORMANCE CONVENIENCE & VALUE

Fewer filter replacements. More clean, great-tasting water. One set of Aquasana Claryum® filters gives you 11x the capacity of the leading gravity-based pitcher at only 11¢ per gallon.

Claryum® filter

Leading drip pitcher filter

## HOW IT WORKS SUPERIOR FILTRATION

### SELECTIVE CLARYUM® FILTRATION

Reduces 68 contaminants while retaining beneficial minerals for optimal hydration.

### EASY TO INSTALL, REPLACE & MAINTAIN.

Filters last 6 months and features an easy twist-off design.

### NSF CERTIFIED

Full system certified to NSF/ANSI Standards 42, 53, 401 + P473.

450 GALLONS

6 MONTH FILTER LIFE

1 YEAR WARRANTY

90 DAY GUARANTEE
