

Warranty Info

All items are backed up with a 1-year workmanship and performance warranty. Please contact us at info@villagelighting.com to address any warranty issues. All mini light strands must have all labels attached to qualify for the 1-year warranty.

Defective Merchandise

Village Lighting warranties against manufacturer defects. Any product that complies with our warranty policy may be returned for in-house credit or replacement product, only after the discretion and authorization from a Village Lighting representative.

Village Lighting assumes no responsibility in any event for payment or incidental consequential damages, including, without limitation, costs relating to removal, installation or reinstallation of the products, or damages for personal injury or property.

These products may present possible shock or fire hazard if not installed properly. This warranty is void if the product is altered or installed in violation to local codes and National Electrical Code.

For more information on warranty product please contact info@villagelighting.com
