POWER TURN

STEERING TECHNOLOGY

The Champion 2-stage snowblower tackles snowfalls with an impressive 27-inch clearing width and 23-inch clearing height. Powered by a 301cc cold-weather engine with a handy 120-volt push-button electric start, the easy-to-adjust dash mounted chute control directs snow up to 40 feet (12.2 m). Turning the snowblower has never been easier with Power Turn Steering Technology™. Keep your hands comfortable with heated hand grips while you light up the night with twin dash mounted LED lights.
