

# GOAL ZERO YETI® 6000X

We took everything our customers love about the Yeti experience, and made it even better. Equipped with new features and bigger storage capacities, our new large Yeti X power stations are ideal for powering vans, cabins, tailgates, base camps, essential circuits in your home, and more.

## NEW FEATURES

**Increased 2000W AC inverter** allows you to run just about anything you could from a wall outlet.

Equipped with **60W USB-C Power Delivery ports** for fast-charging phones, MacBooks, and other USB-C devices.

**2X faster wall charging** with the introduction of our new faster Yeti Power Supply.

**Integrated MPPT** provides up to 30% more efficient charge times when charging from solar.

**12V regulated port** allows for greater compatibility with powering 12V devices such as portable fridges.

GOAL ZERO

SKU: #36500
