

Cleaning

▲ WARNING: Blow dirt and dust out of all air vents with clean, dry air at least once a week. To minimize the risk of eye injury, always wear ANSI Z87.1 approved eye protection when performing this procedure.

▲ WARNING: Never use solvents or other harsh chemicals for cleaning the non-metallic parts of the tool. These chemicals may weaken the plastic materials used in these parts. Use a cloth dampened only with water and mild soap. Never let any liquid get inside the tool; never immerse any part of the tool into a liquid.

Storage

▲ CAUTION: Never store with liquid inside the pump.

- Store in a dry, covered location above freezing temperature. **STORE INDOORS.**

To store the DCE050 pump:

- Remove the battery pack.
- Remove the inlet and outlet hoses from the pump.
- Pour out any excess water from the pump.
- Run the pump for no more than five seconds to clear out any remaining water. Freezing temperatures can cause remaining water in the pump to freeze and could damage the pump.
- Install the two hose connection caps **10**.

Accessories

▲ WARNING: Since accessories, other than those offered by DEWALT, have not been tested with this product, use of such accessories with this tool could be hazardous. To reduce the risk of injury, use only DEWALT accessories recommended for this product.

Recommended accessories for use with your tool are available at extra cost from your local dealer or authorized service center. If you need assistance in locating any accessory, please contact DEWALT call 1-800-4-DEWALT (1-800-433-9258) or visit our website: www.dewalt.com.

DEWALT Tool Tag Ready (Fig. 1)

Optional Accessory

Your tool comes with tool tag mounting holes **29** and fasteners **28** for installing a DEWALT Tool Tag. You will need a T15 bit tip to install the tag.

▲ WARNING: Use only original fasteners. Longer screws increase the risk of electrical shock or damage to the tool. The DEWALT Tool Tag is designed for tracking and locating professional power tools, equipment, and machines using the DEWALT Tool Connect™ app. For proper installation of the DEWALT Tool Tag refer to the DEWALT Tool Tag manual.

Repairs

The charger and batteries are not serviceable. There are no serviceable parts inside the charger or battery pack.

▲ WARNING: To assure product SAFETY and RELIABILITY, repairs, maintenance and adjustment (including brush inspection and replacement, when applicable) should be performed by a factory service center or an authorized service center. Always use identical replacement parts.

Register Online

Thank you for your purchase. Register your product now for:

- **WARRANTY SERVICE:** Registering your product will help you obtain more efficient warranty service in case there is a problem with your product.
- **CONFIRMATION OF OWNERSHIP:** In case of an insurance loss, such as fire, flood or theft, your registration of ownership will serve as your proof of purchase.
