

Karran quartz sinks are manufactured from durable quartz composite material that makes them incredibly tough and resilient to even the toughest daily kitchen tasks. They comprise 80% natural quartz material and 20% high performance acrylic resins. These materials provide high scratch, stain, chip and heat resistance. This model is designed to undermount in granite, quartz and solid surface countertops, and is available in a selection of 6 elegant color choices.

<b>Series:</b>	Quartz QU Series
<b>Material:</b>	80% quartz / 20% acrylic resin
