Thank you for your Atlantic Purchase. Please read below for proper care instructions.

MDF
Avoid abrasive cleaning agents as they can cause cracks on your item by damaging the surface. Use a damp microfiber cloth with a small amount of all-purpose cleaner to wipe clean. Please note too much moisture can damage your item.

Particle Board
Avoid abrasive cleaning agents as they can cause damage to your item by damaging the surface. Dust with a soft, clean cloth. If necessary, wipe clean with a small amount of warm water and mild soap, then dry surface thoroughly.

Glass
Avoid abrasive cleaning agents as they can cause damage to your item by damaging the surface. Use a gentle glass cleaner
