

Open Goaaal is a Patented Soccer Training Goal + Rebounder + Backstop ALL-IN-ONE! Now you can practice like the pros without worrying about having to chase the ball down, breaking windows, going over the fence, or destroying the garden. At 13 ft 3 in tall and up to 37 ft wide, the Open Goaaal rebounds the majority of missed shots, so kids can get better faster and keep active.

This is a premium soccer training product, built from quality materials, designed to withstand and rebound 1000's of full power shots for any age range.
