Trim Kit - DFI23TRIMX

120 Volts | 1,375 Watts | 4,695 BTU

Features

-  **Flame Effect**
High-contrast flames feature improved brightness and character for a dazzling, lifelike effect.
-  **Patented Inner Glow Logs**
Individually molded and hand-finished logs pulse and glow from within for the look of natural burning logs.
-  **Supplemental Heating**
Includes a fan-forced heater that provides supplemental warmth for small spaces up to 1,000 square feet.
-  **On/off remote**
Provides convenient control at your fingertips.
-  **All-season Flames**
Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.
-  **Economical**
Economical to operate costing only pennies per hour.*
-  **Low Carbon Footprint**
The most sustainable fireplace option; no emissions and 100% efficient.
-  **Just plug It In**
Simply plug into any standard household outlet for instant ambiance.

* Based on national average residential electricity rate. Rates vary.
