

Lasko 2-Stage Filtration System

HEPA - For Air Purifier - Remove Pollen, Remove Dust Mite, Remove Pet Dander, and Remove Odor - 99% Particle Removal Efficiency Particles

- Fibrous material that removes solid particulates like mud, pollen and bacteria from the air
- Protects against pollen
- Features an optimized filter design for air purifier

General Information

Manufacturer:	Lasko Products
Manufacturer Part Number:	YY25610
Manufacturer Website Address:	http://www.laskoproducts.com
Brand Name:	Lasko
Product Name:	2-Stage Filtration System
Product Type:	Air Filter

Product Information

Filter Type:	HEPA
Particle Removal Efficiency:	99%

Miscellaneous

Application/Usage:	Remove Pollen Remove Dust Mite Remove Pet Dander • Remove Odor
Device Supported:	Air Purifier
Compatibility:	Lasko HF25610 Pure Silver HEPA Air Purifier
