

# Use And Care Manual

Our adirondack chair is made of HDPE lumber. This all-weather material is built to withstand all four seasons and a range of climates including hot sun, snowy winters, salt spray, and heavy winds. And is not prone to splinter, chip, peel, crack, or rot. The lumber has UV inhibitors and is fade resistant. The chair is low maintenance, easily cleaned with soap and water, and requires no painting, staining, or water proofing.
