

Freestanding Bathtub Use & Care Manual

1. Product Overview

Thank you for purchasing our freestanding bathtub. This manual provides essential information on how to use and maintain your bathtub to ensure optimal performance and longevity. Please read and follow all instructions before installation and use.

2. Use Instructions

- Always enter and exit the bathtub with caution to avoid slipping. - Do not use abrasive cleaners or pads as they may damage the surface. - Avoid using dyes or bath oils that may stain the surface. - Fill the tub with water before entering to prevent unnecessary stress on the structure. - Do not exceed the recommended water level to avoid overflow.

3. Cleaning & Maintenance

- Clean the surface regularly with mild, non-abrasive soap and a soft cloth. - Rinse thoroughly after cleaning to remove any residue. - For tougher stains, use a solution of vinegar and water or a bathtub-specific cleaner. - Avoid harsh chemicals, acetone, or paint removers, which may cause damage. - Periodically check and clean the drain to ensure proper water flow.

4. Safety Guidelines

- Keep children supervised while using the bathtub. - Do not stand on the edges or seat of the bathtub. - Ensure the floor surrounding the tub is dry to prevent slipping. - Installation must be done according to local plumbing codes and by a qualified professional.

5. Warranty & Support

This product is covered by a limited warranty. Please retain your proof of purchase. For more information about warranty coverage or to request service, contact our customer service team. Register your product for updates and support.

Thank you for choosing our product. We hope you enjoy a relaxing and comfortable bathing experience.
