Indoors: Medium light

Outside: Shade

#### Water

Medium water needs

## **Fertilizer**

Fertilize in spring and summer

# **Special Features**

Deer/rabbit resistant
Purifies the air

### **Plant Features**

Anthuriums are exotic flowering houseplants that offer glossy, green heart-shaped leaves topped by heart-shaped long-lasting blooms. They bloom almost all year long if they get enough light, fertilizer, and moisture.

#### For Reviews and Comments:

Our growers are working diligently to bring you 5-star quality plants. We hope you enjoy your purchase and would be so kind to leave us a 5-star review on your retailer's website.
