### 4. FIRST AID MEASURES

**General Advice**
First aid is upon rupture of sealed battery.

**Eye Contact**
Immediate medical attention is required. Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Keep eye open while rinsing. Do not rub affected area.
Skin Contact
Immediate medical attention is required. Wash off immediately with soap and plenty of water removing all contaminated clothes and shoes.

Inhalation
Move to fresh air. Call a physician or Poison Control Center immediately. If not breathing, give artificial respiration. If breathing is difficult, give oxygen.

Ingestion
Immediate medical attention is required. Call a physician or Poison Control Center immediately. Do NOT induce vomiting. Drink plenty of water. Never give anything by mouth to an unconscious person. Remove from exposure, lie down.

Notes to Physician
Treat symptomatically.

Protection of First-aiders
Use personal protective equipment. Avoid contact with skin, eyes and clothing.
