

30-Year Limited Residential Warranty

The manufacturer warrants to the original purchaser that for 30 years from the date of purchase, (i) its Laminate Flooring will be delamination-free, (ii) the surface wear layer on products will not wear through, stain or fade from sunlight or artificial light, and (iii) the product will, for a period of up to 24 hours, resist moisture due to mopping and everyday household spills in a residential environment.

30-Year Limited Warranty (Wear, Staining & Fading)

The manufacturer warrants to the original purchaser that the surface wear layer on products will not wear through, stain or fade from sunlight or artificial light for 30 years from the date of purchase when used under normal residential traffic conditions. If the product wears through*, fades or stains, the manufacturer will repair or replace, at its option, the affected flooring material. This warranty includes the repair or replacement of defective material only, exclusive of all labor charges. Should the original floor design be discontinued, the manufacturer will replace the defected material with one of equal value. This warranty is exclusive and in lieu of all other warranties, expressed or implied, and all other remedies, guarantees, or liabilities arising by law or otherwise.

*The surface wear must be evident, measuring at least 2 square inches (12.9 cm²) and not be the result of any items listed in the Exclusions section. Loss of gloss is not surface wear.

24-Hour Standing Water Warranty

This product will resist damage from moisture due to wet mopping and everyday household spills removed within 24 hours. This product is water resistant. However, when excessive moisture accumulates in buildings or on building materials, mold and/or mildew growth can occur (particularly if the moisture problem remains undiscovered and unaddressed). The moisture warranty excludes damage resulting from mold and/or mildew growth due to prolonged exposure to moisture. This warranty does not cover flooding.

Warranty Exclusions

The owner must inspect for color, finish and quality before installation. The manufacturer cannot be held responsible for costs incurred when a floor with visible defects has been installed. The warranty does not cover wear or damage caused by improper installation, negligence, water, erosion, abrasion, extreme heat or temperature conditions, cleaning, care or maintenance in a manner contrary to the instructions as provided by the manufacturer, physical abuse or misuse of the product, physical damages, accidents causing indentation, scratching, impact or cutting, freight damage, alteration, or any wear or damage caused by acts of God. The warranty does not apply if the product is installed in areas where condensation may occur repeatedly. Under no circumstances can the manufacturer be held responsible for damages, loss of time, inconvenience, expenses or costs caused by or resulting directly or indirectly from a problem about which a claim has been or may be made hereunder. The manufacturer offers no other warranty, expressed or implied, than the one described herein, including any warranty of merchantability or suitability of the product for a particular purpose. Because certain provinces or states do not allow exclusions or limitations of indirect damages, the above limitations or exclusions may not apply to you. This warranty provides you with specific legal rights, and you may also have other rights which may vary according to state or province.

- The manufacturer reserves the right to designate a representative to inspect the floor and remove samples for analysis.
- No unauthorized person, fabricator or installer, agent or employee of the manufacturer, or any representative is entitled to assume any liability on behalf of the manufacturer relating in the sale of this product or has the authority to increase or alter the obligations or limitations of this warranty.
