Southern Graphic Systems-Canada Co. (SGS) dba Marks. Design has made every effort to comply with Health Canada, CPLA, CPLR, CHA, FDR, and FDA rules and guidelines in the production of this artwork. To the best of our knowledge and experience this artwork adheres to and is compliant with rules governing product labelling requirements as per Canadian legislation and/or USA legislation. In the event of an inadvertent non-compliance issue that results in the re-work of existing artwork, SGS/Marks. Design will, in cooperation with the client, make every effort to rectify the problem, and produce replacement artwork files. The liability of SGS/Marks. Design shall be limited to correcting its own product. SGS/Marks. Design will not assume any legal or financial responsibility or liability for the contents of any packaging in the case of said contents being unusable because of Health Canada, CPLA, CPLR, CHA, FDR, and FDA packaging non-compliance. The supplied artwork should be approved by the recipient for all content, layout and copy accuracy. This is a mechanical artwork file only. Colour rotation to be confirmed by printer or prepress supplier. The UPC code is FPO and should be replaced by your printer or prepress supplier. Please ensure that your prepress supplier prepares the file for printing. Refer to Pantone and process matchbooks for reflection of accurate colour, as this is not a colour proof. Should the supplied artwork be found to be incorrect please contact your representative immediately.
