

Model #DV-1K0192

Overall Dimension: 32.99" L x 18.74" W x 10" H

Features:

- Kitchen sinks are made of high quality stainless steel, this durable sink is less prone to rust, corrosion and scratches for easy maintenance.
- The undermount workstation sinks with single-track - ledges on the front and back provide a track for sliding the built-in accessories, including a solid wood cutting board, stainless steel colander, and roll-up dish drying rack, saving more workspace.
- The slightly sloped bottom and water guidelines ensure excellent drainage, preventing water from pooling and keeping your sink clean and dry.
- The kitchen sink includes thick sound guard undercoating, thick rubber padding, and an anti-condensation coating for a quieter kitchen environment.
- This deep single basin, measuring 10" in depth, effortlessly accommodates large pots, pans, and dishes, improving your kitchen's efficiency. The 3.5" standard drain opening is compatible with most garbage disposals.
