

WARRANTY FOR SPIGOT (EWC-11)

Warranty

Thank you for showing interest in our products.

This warranty is applied to our spigot purchased from Enviro World. This is a limited warranty. There are no warranties express or implied, which extend beyond the warranty described in this document.

What does this warranty cover?

This Warranty covers any defects in material under normal use during the Warranty Period of the product.

During the Warranty Period, Enviro World will repair or replace any items or components of a product that prove to be defective due to improper material under regular use and maintenance at no cost to you.

What will we do to correct problems?

Enviro World will either repair the Product for free or replace it with new or refurbished parts.

How long does the coverage last?

The Spigot purchased from Enviroworld comes with a 365-day warranty from the date of purchase. In order to validate the warranty, proof of purchase must be given.

What does this limited warranty not cover?

This warranty does not apply to defects due directly or indirectly to misuse, abuse, negligence, accidents, repairs made by others, or alterations or lack of proper maintenance to the product.

What do you have to do?

To obtain warranty service, you must first contact us to determine the problem and the most appropriate solution for you.
