

MOUNTING AND WIRING

WARNING:

Improper installation may cause electrical shock, fire, or equipment damage. The person performing the installation must be familiar with the construction and operation of the product and associated hazards

Please proceed in an alphabetical order:

- Attach the Crossbar(B) to the existing electrical box(A) using the two crossbar screws(C), which are not supplied and should already be in your electrical box.

INSTALLATION INSTRUCTIONS

Model #: EW5311-BK

Customer Service Number: (832) 478-8866

Customer Service Email Address: WeCareWeFix@gmail.com

Please include your name, contact methods, product name, and model number in the email. Pictures are always helpful for understanding the issues.

IMPORTANT SAFETY INSTRUCTIONS:

- Please read through all the instructions carefully and completely before beginning assembly and installation
- This product must be installed in accordance with installation instructions and all safety and building codes. It is strongly suggested that all direct wired fixtures be installed by a licensed electrician
- Be sure the electricity to the wires you are working on is shut off, either the fuse is removed or the circuit breaker is turned off. Turning the power off using the light switch is not sufficient to prevent electrical shock

CALIFORNIA PROPOSITON 65 WARNING

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. (California law requires this warning to be given to customers in the State of California.)
