extends life of dishwasher and other appliances

## Delicious Drinking Water

healthy, filtered water on demand

## THE ESSENTIAL PRODUCT FOR HEALTH & BEAUTY

Removes Chlorine for

- Softer skin
- Healthier Hair
- Improved Air Quality

## Whole Health

### Feel the Difference

Reduce your skin's exposure to harsh chlorine and synthetic chemicals that can cause skin damage and excessive drying.

Shower in Aquasana filtered water for noticeably softer, more moisturized skin.

### Stronger, Healthier Hair

"One of the most important things you can do for hair is to wash it with filtered, chlorine-free water. Your hair will be noticeably softer and shinier, your scalp will be healthier and your color will stay true and last longer."

-River Lloyd, celebrity stylist of the John Frieda Salon in New York.

### Superior Design

Aquasana's Unique upflow design prevents media channeling and clogging, retains shower head height and water pressure, and increases water contact time with media for superior filtration and unmatched results.

## Pure Performance

### Patented Copper/Zinc Media and Coconut Shell Carbon

Natural coconut shell carbon filters out chlorine and other harsh chemicals, while copper/zinc media further reduces chlorine and enhances water pH balance.

The Aquasana shower filter improves air quality, enhances water pH and removes over 90% of chlorine for the healthiest shower experience.

### Product Enhancing

Naturally enhance your bath products and hair treatments.

Use less shampoo, conditioner, soap, and body lotions.

### Easy Installation

Attaches easily to shower pipe.

Long lasting filters only need to be replaced twice a year.

PREMIUM SHOWER FILTER

## How it Works

### Coconut Shell Carbon

-reduces chlorine and synthetic chemicals
