YF-01JY04-A	YF-01JY05-A	YF-01JY06-A
		
YF-01JY04-B	YF-01JY05-B	YF-01JY06-B

(Pic. per 4 burners+1 side burner)

SAFETY INSTRUCTIONS

1. Read the instruction manual carefully before use and keep it for future reference. Failure to comply with the instructions can result in death, serious injury or property damage.
2. For outdoor use ONLY! Do not use indoors.
3. Do not use below ground level.
4. The accesible parts can get very hot. Keep small children, elderly people and animals away from the gas grill. Grill glove is adviced.
5. Do not move the product while it is alight.
6. Turn off the gas supply at the gas cylinder when the grill is not in use or after use.
7. Any modification of the product, misuse or failure to follow the instructions may be dangerous and will void the warrenty.
8. Check your gas grill anually for leaks. Check whether the hose connections are tight and leak test them each time you reconnect the gas cylinder.
9. Do not use the gas grill within 1 meter of combustibile materials or surfaces.
10. LP gas cylinders should not be placed directly underneath the grill.
11. Open the hook of the grill before lighting.
12. Do not leave the grill unateended when it is lit.
13. Be careful when opening the hook, as the hot steam inside is released upon opening.
14. Do not cover the grill untill it has completely cooled down.
15. Do not use aerosols near the grill.
16. Do not store or use petrol or other flammable vapours or liquids in the vicinity of this gas grill or any other appliance.
17. If you smell gas, turn off the gas supply at the gas cylinder; extinguish any open flame; open the hood. If still have it, stop use.

PART LIST
