Ultra-Comfort

NEW 3M™ Performance Safety Eyewear Technology you can see.

Featuring high-end materials and finishes, 3M™ Performance Safety Eyewear is the go-to choice when you need premium protection and sleek design. With scratch-resistant, anti-fog coatings and impact-resistant lenses that absorb 99.9% of UV radiation, this line of eyewear products also meets ANSI Z87.1 and OSHA standards. A drawstring bag and lanyard make storage easy. Plus, with a variety of lens tints and coatings and three new products, you've got more options than ever — so you can find the right safety eyewear for your project.
