

Help your child gain confidence in the water as they learn to swim with TRC Recreation's USGC Approved Foam Children's Swimming Vest.

This super-soft foam vest is approved by the U.S. Coast Guard and is similar to vests used at major water parks and resorts.

Your child should be comfortable with wearing a flotation device whenever they enter the pool or lake. Develop these safety habits easily with the super-soft comfortable foam vest. Inflatable toys and rafts should not be used in place of vests.

The next time your child is ready for a swim, you can have peace of mind that TRC Recreation's Super Soft FOam Childs Vest is keeping them safe and comfrtoable.
