

# Assembly Instru

**Caution: You must read this before**

Read all instructions before assembling and using this product.

1. Select ideal location. Set out all parts on a clear and level surface. The Gazebo should be set up in the desired location to avoid power lines and other hazards.
2. Team Work. We recommend 4-5 adults and it may require assistance to assemble the Gazebo. If possible, please use safety ladders.
3. Use caution. During the entire assembly process, especially when using ladders, pay attention to safety. No one other than the assembler should be in the work area.
4. Check all available parts. Before assembling your Gazebo, check the parts described in the Parts List.
5. Ensure that ALL BOLTS are fully and securely bolted in before attaching the Canopies.
6. Keep children away. Children shouldn't be allowed in the work area with parts and tools. Do not allow children to climb the Gazebo.
7. It is recommended that the curtain and mosquito netting be used in appropriate conditions.
