

Passion Furniture Care Guide

Upholstered Headboards and Beds:

Lightly brush or vacuum to remove dust. Spot clean with a mild, water-free solvent or professional dry-cleaning product only. Pre-test cleaning methods on a hidden surface. Professional cleaning is recommended for large stains.

Do not place in direct sunlight to avoid fading.

Not Pet Friendly, Fabric may tear and stain

How do you clean velvet fabric?

1. Steaming. If you are an avid **velvet** user, you probably know that steaming is one of the ways you can clean a **velvet** piece. ...
2. Vacuuming. Vacuum treatment is another method to clean and **refresh** the pile of **velvet** furniture. ...
3. Brushing. Weekly brushing lifts the pile of the **velvet** fabric.

Case Goods, Wood Beds

Dust with a soft, dry cloth. All spills should be cleaned up immediately. Use a coaster when placing drinks on surface. Liquids will stain and damage the finish. Spray Polish can be used on wood finishes.
