

The unique Two-Way Rod Pocket Panel has a rod pocket opening that can use a decorative curtain rod measuring up to 1.25 inches in diameter. The panel also has a standard 1.75 inch rod pocket sewn inside the larger pocket; the standard pocket will create a 1.5 inch ruffled header at the top of the panel.

For fullness cover twice the width of your windows. The Panels create privacy and will provide a light and airy ambience.

Care Instructions

- Machine Washable, Gentle Cycle
 - Tumble Dry low heat
- Use iron at low heat for touch up, if necessary
