("Boral"). Boral does not warrant any installation labor provided by others except as expressly provided herein.

Products:

- Shutters	- Utility Vents and Mounting Blocks	- Designer Windows
- Headers for Windows and Doors	- RidgeMaster and Hipmaster Vents	
- Door Surrounds	- Dentil Trim and Gable Vents	

Who is Covered. This Warranty extends to the original residential or commercial owner(s) of the residence or building ("Structure") on the date of purchase of the Products ("Owner"). This Warranty may be transferred one time to the party to whom the original Owner transfers ownership of the Structure, provided the transfer occurs during the first five (5) years after the Owner originally purchased the Products ("Permitted Transferee"). To transfer this Warranty, the Permitted Transferee must send to Boral within sixty (60) days of the transfer of ownership, proof of (a) the original date of purchase of the Products, and (b) the transfer of ownership of the Structure from the Owner. In the event of a permitted transfer, the effective date of the Warranty for pro-rata purposes will remain the date of original purchase of the Products by the original Owner.

Terms of Warranty. Boral warrants that the Products are free from manufacturing defects which result in cracking, splitting, and excessive fading under normal weather conditions for the lifetime of the Owner. In the case of a Permitted Transferee, the Products (excluding Designer Windows) are warranted for the length of time shown in the Pro-Rated Warranty Coverage Schedule shown below. Designer Windows are warranted for a period of ten (10) years from the date of purchase and warranty coverage may not be transferred. The warranty protection provided against excessive fading is not transferable from the original Owner for all of the Products.

Warranty Exclusions:

This Warranty does not apply to any problems with non-defective Products caused by conditions or handling beyond Boral's control. This Warranty does not cover claims, damage to or failure of the Products resulting from the following: 1) acts of God or fire; 2) accidental or intentional acts of the Owner, the installer or others; 3) installation not in accordance with Boral's express instructions (which shall be solely determined by Boral), 4) repairs or modifications by persons not authorized by Boral, or from the use of parts and accessories (i.e. hardware or mounting devices) not authorized by Boral; 5) unreasonable use, including but not limited to damage caused by cleaning solvents or power washing; 6) fading, peeling, cracking or any other deterioration of finishes applied by any third party; 7) gapping that develops due to normal expansion and contraction due to changes in weather temperature; 8) fading due to normal weathering, as such fading is expected.

If the Products do not meet the Warranty, Boral shall at its option and subject to the applicable Warranty Coverage Schedule shown below, repair or replace the Products or refund the purchase price of the Products (less taxes). Reasonable freight charges to ship replacement Products to the Owner or Permitted Transferee will be reimbursed by Boral for covered claims made within five (5) years of the date of purchase. Boral will not be liable for labor costs to remove Products from the Structure or to install replacement Products, for travel expenses, or for freight charges after the first five (5) years of purchase. Any Products repaired or replaced by Boral will continue to be covered under the terms of this Warranty for the remainder of the applicable warranty period.
