

JAMES MARTIN

VANITIES

James Martin Vanities Product Warranty

All James Martin products carry a one year manufacturer's warranty from the date of purchase unless the item was clearly marked as a closeout or clearance item.

James Martin products are not designed for a commercial setting, and a warranty will not apply for a product used in a commercial environment.

James Martin products are covered under warranty from defect in workmanship.

The use of harsh abrasives, chemicals, or cleaning solutions may void the warranty.

We reserve the right to repair products using parts or technicians, or replace items at our discretion.

All warranty claims should be submitted to Customer Care by emailing customercare@jamesmartinfurniture.com or calling (512) 795-4171 – option 1.

Proof of purchase must be provided for all warranty claims.
