## Go from a boring bathroom to an extraordinary bathroom in as little as a day!

Before

After

## Installing FlexStone is as Easy as 1-2-3

1. Cut panels to fit using a standard utility knife or power saw and adhere to walls with FlexStone adhesive.

2. Cut trim moldings to fit over edges of wall panels and adhere in place.

3. Install accessories and seal all corners and joints with 100% silicone.

**10 YEAR WARRANTY**

All FlexStone products include a 10-year limited warranty.
