

GOLF PUTTING MAT

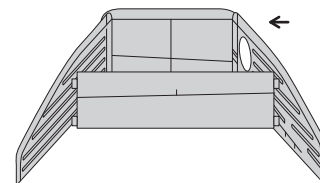

ASSEMBLY INSTRUCTIONS

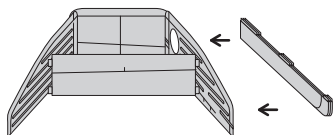

1. Insert **C** into **A** using the designated slots and pushing down to lock in place.

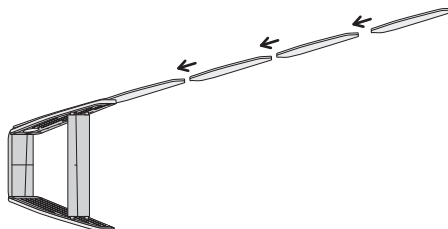

2. Insert **D** into the end of **C** using the same method.

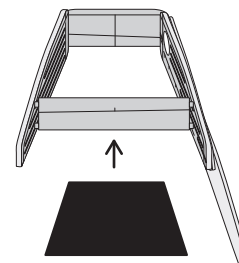

3. Insert **B** into the ends of **C** and **D** with the hole closest to **D**.

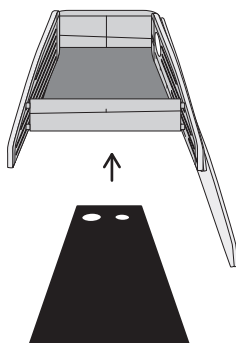

4. Attach **E** to the outside edge of **B**.

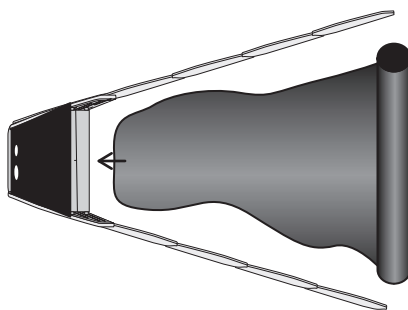

5. Attach all **4 F** pieces in a line with the first piece attaching to **E** and attach **G** as the last piece in the line.

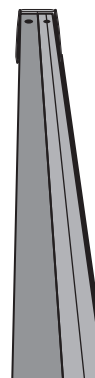

6. Slide **a** into place using the lower slide in slot as a guide.

7. Slide **b** into place over the top of **a** with the holes sliding in first using the top slide in slot and the Velcro corners on the top.

8. Unroll **c** and fit it on top of the rails so the holes match up.
