Moselle Sliding Tub Door

The Moselle by Aston offers a wide range of completely frameless glass shower doors that are beautifully designed with modern 2 wheeled sliding operation, superior craftsmanship, stainless steel or chrome finish hardware and 3/8-inch tempered glass. Featuring a Tub-height sliding glass door for an existing 60" tub alcove, the Moselle Collection is fashioned to accommodate virtually any residential or commercial installation. A variety of finishes and glass styles are offered to create a custom solution for every project.

- Premium Clear or Frosted 3/8" (10mm) tempered safety glass - ANSI Z97.1 certified
- "Effortless Opening" modern 2-wheel roller mechanism
- Stylish square top support bar for anchoring and stability
- Engineered for left or right handed door installation
- Accommodates "Out of Plumb" openings of up to ¼" per side
- Variable width - shower door width can be reduced up to 4"
- Full-length clear seals included
- Installation hardware included
