2. This guarantee shall apply for a period of two years from the date of purchase, whereby the customer must provide proof of purchase in the form of a copy of the receipt. This guarantee shall apply all over the world.

3. The following are excluded from this guarantee:

- damage due to incorrect or inappropriate use
- damage due to failure to observe the instructions given for use, maintenance, care etc.

4. To submit a claim under guarantee, the customer should notify the dealer he bought the goods from. He must submit the product that is the subject of the complaint and also the receipt (copy). If bought from an online dealer, the customer must pay the carriage costs. If it is no longer possible for the customer to contact the dealer he brought the product from, the customer can send the product that is the subject of the complaint and the copy of the receipt to Bredemeijer directly.

5. The customer's statutory claims, such as and in particular the warranty rights, shall continue to apply and shall not be affected by the guarantee.
