

Thank you for buying our plants and sharing in our plant passion!

This plant was hand-picked especially for you. Now as part of your family, it will grow everyday bringing joy and fresh air to your life.

## Marigold Tagetes spp.

### Light

Outside: Sun

### Fertilizer

Fertilize at planting time

### Water

Medium water needs

### Special Features

Attracts Butterflies  
Fragrant flowers/foilage

## Plant Features

Marigolds offer nonstop blooms in the summertime! Planting marigolds is like planting sunshine! The plants are highly prized by butterflies who feast on the nectar-rich blooms. These plants look amazing planted in beds by themselves or mixed in pots and planters.

### For Reviews and Comments:

Our growers are working diligently to bring you 5-star quality plants. We hope you enjoy your purchase and would be so kind to leave us a 5-star review on your retailer's website.
